Fikayo is the convener of **While Waiting Ministries** - an interdenominational ministry that nurtures women to achieve success in every area of life as they go through their various WAITING SEASONS. While Waiting Ministries has four arms which are for:

- Mature Single women waiting to be married (Brides-to-be),
- Mature married women waiting to have children (Moms-to-be)
- Rutagail Network- (Single Mums, Young widows and women in transit in their marriages (women temporarily separated, but waiting for marital reconciliation).
- Isaac's Court - mature single men who are 30 years of age and above. This is a mentoring platform for men desiring fulfilment in marriage and all aspects of life. It was launched in January 2021.

Fikayo is also the founder of **Chrypertz Marriage Academy** - a Christian marriage training, mentoring and counselling organisation. Her vision is to equip single men and women, about-to-weds and newly wedded couples, with the necessary skills and information required to build a successful and blissful marriage. She has mentored several couples who now stand as living examples of thriving Christian marriages.

She is an active promoter of **Self Deliverance** through her practical teachings and insight into applying God's word to obtain victory in life. This led her to start **The Self Deliverance School**- an offshoot of her YouTube channel: **While Waiting series**- A platform that gives elaborate teaching on how to break free from any spiritual or demonic stronghold using the Word of God.

Fikayo has mentored and led several women and men through this platform. Her passion to see lives liberated from the devil's oppression was birth from her own life experience while waiting to be married. Fikayo practically teaches about the believer's power, dominion and authority over the devil. Her profound teachings emphasise how to build and sustain intimacy with God, outlining how to experience growth in one's walk with God and meditate on and maximise the power of the WORD of God to live a triumphant Christian life. This remains the core objective of **The Self-Deliverance School (TSDS)**.

She is the author of the bestselling book, **WHILE WAITING**- her true life story on finding love, overcoming the challenges and pressure attributed with the waiting season and winning spiritual battles. She is also the author of "**DREAM AGAIN**" - An inspiring book meant to encourage and motivate single women and men to keep their dreams alive regardless of the Covid19 pandemic, crisis or turbulence in our present-day world.

Fikayo expresses her works and passion through counselling, teaching, mentoring, training, books, speaking engagements, and inspiring talks across several platforms. Her passion for seeing lives transformed through her various expressions have achieved tremendous results over the last ten years. Her professional work in Human Resources and Administration is still part of her endeavours to date.
